

AVARA 24 LT CHANDELIER Polished Nickel

The Avara Collection features this exquisite 24 lite large size chandelier, a sophisticated lighting accent that beautifully combines natural elements with classic luxury. The fixture is adorned with shimmering crystal jewels and authentic Capiz shells that catch and diffuse light to create a soft, radiant glow. These delicate, organic textures are elegantly supported by a sleek polished nickel frame, providing a high-end and reflective finish. This brilliant, tiered design makes it an ideal focal point for a dining room or kitchen table.
