

Designed by Kevin Kraemer for the Foundry Collection, this three-light semi-flush mount is presented in a sophisticated plated brushed nickel finish. The fixture features elegant, sweeping arms that curve gracefully to support three upright candelabra bulbs, creating a clean and modern architectural silhouette. Its monochromatic metallic design and open-frame construction make it an ideal choice for providing bright, stylish illumination in spaces with lower ceilings.

ORDERING

Model: AC12223BN

Collection: Foundry

Finish: Brass

PRODUCT DIMENSIONS

Weight	2.43
