

Designed by Sarah Baeumler, this elegant single pendant from the Velora Collection features a beautifully rounded white glass shade that provides a soft, organic glow. The luminous globe is suspended from a sophisticated frame finished in Legacy Brass, adding a touch of timeless luxury to any interior space. For personalized ambiance, the integrated LED light source is 3CCT enabled, allowing you to select the ideal color temperature for your environment. This modern fixture is also fully dimmable, providing complete control over the lighting intensity to suit various moods and settings. Great for an island or bar area.
