

Designed by Sarah Baeumler, this stunning four-light chandelier from the Velora Collection features a balanced arrangement of rounded white glass shades that provide a soft, organic glow. The luminous globes are suspended from a sophisticated linear frame finished in Legacy Brass, adding a touch of timeless luxury to a dining room or kitchen island. For personalized ambiance, the integrated LED light source is 3CCT enabled, allowing you to select the ideal color temperature for your environment. This modern fixture is also fully dimmable, providing complete control over the lighting intensity to suit various moods and settings. Great for a kitchen or dining room table.
