

The Modella collection features this sophisticated LED linear island chandelier, characterized by its striking horizontal composition and modern architectural lines. The fixture showcases 8 glass globes with a beautiful ombre smoke reflective to clear finish, creating a dynamic play of light and transparency across your dining area or kitchen island. Each sphere is suspended from a sleek black frame, which includes integrated black columns designed to provide focused directional downlight. For ultimate versatility, this linear model is 3CCT enabled, allowing you to adjust the color temperature to perfectly suit the mood and functional needs of your space. Great for a large island or rectangular table.
