

The Modella collection features this sophisticated LED chandelier, characterized by its striking vertical composition and modern architectural lines. The fixture showcases 4 glass globes with a beautiful ombre smoke reflective to clear finish, creating a dynamic play of light and transparency. Each sphere is suspended from a sleek black frame, which includes integrated black columns designed to provide focused directional downlight. For ultimate versatility, this model is 3CCT enabled, allowing you to adjust the color temperature to perfectly suit the mood and ambiance of your space. Great for a small entry or foyer area.
