

## HAZE COLLECTION LED PENDANT Black/Espresso Copper

The Haze Collection presents this striking LED 12.5" pendant, featuring a wide-profile shade with distinct large ribbing on the espresso copper glassware. This textured glass design beautifully catches the light, creating a rhythmic and sophisticated visual effect with a rich, metallic warmth. The fixture is anchored by a minimalist black frame and matching canopy, providing a clean, contemporary contrast to the bold glasswork. Perfect for over and island in a kitchen area.
