

CHEVRON COLLECT. PEND 31.5 IN Brushed Nickel

The Chevron collection features this striking LED chandelier, defined by its modern circular silhouette and brilliant crystalline texture. The fixture is adorned with precision-cut chevron-shaped crystal that beautifully refracts the integrated LED light for a dazzling effect. Supporting this elegant design is a minimalist brushed nickel frame, providing a clean and contemporary metallic finish. For ultimate convenience and customization, the chandelier is 3CCT enabled and suspended by easy height-adjustable aircraft cable, allowing it to perfectly fit various ceiling heights and lighting preferences. (Medium size - 3 sizes available)
