

CHEVRON COLLECTION PEND. 40IN Brushed Nickel

The Chevron collection features this striking LED chandelier, defined by its modern circular silhouette and brilliant crystalline texture. The fixture is adorned with precision-cut chevron-shaped crystal that beautifully refracts the integrated LED light for a dazzling effect. Supporting this elegant design is a minimalist brushed nickel frame, providing a clean and contemporary metallic finish. For ultimate convenience and customization, the chandelier is 3CCT enabled and suspended by easy height-adjustable aircraft cable, allowing it to perfectly fit various ceiling heights and lighting preferences. (Large size - 3 sizes available)
