

CHEVRON COLLECTION FLUSH Brushed Nickel

The Chevron collection features this sleek LED flushmount, defined by its modern circular silhouette and brilliant crystalline texture. The fixture is adorned with precision-cut chevron-shaped crystal that beautifully refracts the integrated LED light for a dazzling effect. Supporting this elegant design is a minimalist brushed nickel frame, providing a clean and contemporary metallic finish. For ultimate versatility and convenience, this model is 3CCT enabled, allowing you to adjust the color temperature to perfectly suit your space's ambiance. (Smaller size shown; larger available)
