

Introducing the Zara collection by designer Sarah Baeumler, this 7-light foyer chandelier creates a dramatic vertical statement with its cascading arrangement of slender pendants. Each individual light features a natural travertine column encased within a clear glass cylinder, beautifully blending raw organic texture with a polished finish. The fixture is unified by a large round canopy and hardware in plated brushed nickel, providing a clean and contemporary foundation for the intricate stone elements. For added versatility, the chandelier is equipped with an integrated LED 3CCT system, allowing for the selection of the perfect color temperature to illuminate a grand entryway.
