

Designed by Sarah Baeumler, this exquisite mini circular chandelier from the Roselle Collection features a sophisticated Legacy Brass frame. The frame is elegantly adorned with handcrafted “Piastra” glassware, which showcases a unique, textured ripple effect that adds organic visual interest. This artistic fixture is LED illuminated, casting a warm and inviting glow that beautifully highlights the intricate details of the glass plates. For personalized ambiance, the chandelier is 3CCT enabled, allowing you to adjust the color temperature to perfectly suit your living or dining space.
