

The Portico Collection pendant, from designer Sarah Baeumler, features a stunning, white “Lava” style glass shade that provides a soft, organic texture. The fixture is anchored by a sleek satin nickel canopy and suspended by a minimalist cable, blending contemporary elegance with a natural aesthetic. For ultimate versatility, it is LED 3CCT enabled, allowing you to select between three different color temperatures to suit your space. Additionally, the integrated light source is fully dimmable, providing precise control over the ambiance and brightness level. (Small 9” pendant shown - 3 sizes available)
