

## Nebulosa collect AM 1lt pend Brass

The Nebulosa Collection pendant features a striking elongated glass shade that showcases a seamless amber to white ombre transition. This elegant glasswork is complemented by sophisticated brass metalwork, including a detailed circular base and matching ceiling canopy. The fixture is efficiently LED lit, providing an integrated light source that glows beautifully through the frosted white and warm amber tones. Its clean, cylindrical silhouette and minimalist suspension cord make it a versatile statement piece for modern interiors.
