

Nebulosa collect SM 1lt pend Graphite

This pendant from the Nebulosa Collection features a striking elongated glass shade with a seamless smoke to white ombre finish. The modern aesthetic is anchored by sleek graphite metalwork, including a matching circular canopy and a decorative banded base. The fixture is efficiently LED lit, casting a soft, integrated glow that transitions beautifully through the gradient of the glass. Its clean, pill-shaped silhouette and minimalist suspension make it a sophisticated statement piece for contemporary interiors.
