

Designed by Steven Sabados of S&C, this grand 6-light foyer chandelier from the Juna collection creates a dramatic vertical statement with its cascading arrangement of pendants. Each light features a natural travertine column finished in a bold black, beautifully merging raw organic texture with a sleek monochromatic aesthetic. The fixture is unified by a circular black canopy and matching hardware, while the white inner glass globes are encased in smoke outer glass to provide layered, moody illumination. This sophisticated piece is ideal for entryways, offering a luxurious contemporary focal point that blends high-end materials with artistic form.
