## RMR - MR16 RECESSED EMERGENCY REMOTE

The **RMR-REM** series of remotes feature MR16 lamp technology that are designed for superior light output. The compact, recessed design has a modern look that blends perfectly in today's retail and commercial environments. The steel gimbal lamp mounting assembly and trimplate makes lamp positioning quick and easy. The **RMR** remodel design is suitable for installations from below the ceiling when there is no access above the ceiling. The **RMR** series is supplied standard in a white finish.
