

Power Quality Products Surge Protection Devices SpikeShield® Surge Suppression Plug Strips

Features and Benefits

 Meets UL 1449 3rd edition

6' or 15' 3 wire common power cord available

RFI noise filter

15 amp resettable push on/off circuit breaker switch

Diagnostic LED indicators

Telephone fax/modem protection

Tamper resistant outlets (8)

CATV protection

Extra space for transformers

Lifetime Product Warranty

Clamp voltage	330V
Surge current	up to 39kva
Energy (joules)	2.1kA

Power Quality Products
Surge Protection Devices
Straight Blade, 2 Pole, 3 Wire Grounding
 15 Ampere, 125 Volts 60Hz
SpikeShield® Surge Protection Plug Strips
