PENDANTS

PROJECT

DESCRIPTION

Round nine LED multi-pendant with two different styled pendants in a mixed arrangement. Four pendants have a short sleek metal housing with a long bubble encased crystal and five of the pendants have a long sleek metal housing and short bubble encased crystals which can be arranged in many different styled arrangements. When lit the crystals illuminate the light beautifully throughout the fixture and intensifies the room it resides in. Chrome metal details and Kuzco SSL wire, provided with our powerful 120V AC LED technology. Available in single pendants and other multi-pendant arrangements.
