

A modern upgrade for style and safety, this tamper-resistant designer outlet from the adorne Collection installs easily for the basic power every home needs, while elevating your space. Made exclusively for use with screwless Wall Plates from the adorne Registered Collection, sold separately.

Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Replaces any standard outlet with ease, in as little as 10 minutes.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Specifications
