What happens when you combine Leviton's industry-leading Black and White® line of straight blade and locking plugs and connectors with the future of wiring? Meet Lever Edge™ wiring devices, designed for simple installations, time savings, superior performance, and long-lasting reliability. Simply open the lever, push the wire into the color-coded terminals, click down, and you're done.

- Secure: Lever mechanism provides a strong, secure wire connection
- Reliable Connection: Levers reduce risk of loose wire termination
- User Safety: No tool required for wire-termination
- Time-savings: Quick wiring and unwiring
- Durable: Exceptional performance against heat and vibration
- User-friendly design: Color-coded lever terminals reduce risk of miswiring
